RESPONSE TO MISSING REQUIREMENTS

Sir:

This is a response to the attached Notification of Missing Requirements dated May 12, 2006, which response is being made on or before July 12, 2006, and for which no extension fee is due.

By said Action, it was alleged that the Application was deposited without a Declaration of the inventors in compliance with 37 CFR 1.497(a) and (b).

Please note, however, that the attached postcard stamped in the USPTO mailroom indicated that the Declaration was in fact included together with the specification as filed on September 22, 2005.

It appears that the Declaration Form was separated and/or misplaced from the Application after receipt in the USPTO OIPE. Applicant is providing herewith an identical replacement copy of the Declaration as submitted on September 22, 2005.

The submission of this replacement Declaration should not be construed as an admission that this document was not included in the original filing on September 22, 2005.

Withdrawal of this Notice is respectfully requested. It is therefore believed that the late submission fee is not required for this Response. Should the USPTO feel otherwise, authorization to charge this fee to Deposit Account 50-1407 is hereby given.

Respectfully submitted,

Martin D. Moynihan
